I went to a swimming competition last Sunday. It was really wonderful!

This event took part in Moscow. There were the best swimmers from all over the world. They were very strong and fit.

The competition started at 12 am. But we went there at 11 o'clock to book the seats and to buy flags.

All members of my family came with me. I enjoyed looking at athletes competing. And I think the best swimmer was Klement Kolestrikov. He was the fastest and he won the first place.

We were shouting and clapping, clapping our hands.

The competition finished by giving prizes to athletes at 4 pm. After it finished, we went home by car.
