Last summer I was at Staropol and ~~took~~ was taking part in a dancing competition. There were a lot of people from different cities. It was a great concert. Everybody had beautiful costumes and we are too. I was going to this competitions by bus with my team, mum and friends and our trip was very funny.

I liked this event because it was organised very well and we ~~was~~ won't. But we were very hungry because this place don't have any cafe.

After competitions I didn't go home to MinVody, I stayed at Staropol and went out with my best friend who live there.

I have a lot of moments about this trip, I liked it very much.
