Last summer I was on a football match and I want to share with you my ~~experience~~ ^{emotions} and feelings about this event.

The event took place on a stadium in Moscow.

It was a football match between Lokomotiv and Zenit. Football players ~~wore~~ the uniforms of their teams. The uniform of Lokomotiv was made in white and red colors and the uniform of Zenit was made in white and blue colors.

The football match started at 2 p.m. ~~It~~ I went there with my mother because she also likes football. Our favorite team in this match was Zenit so our faces were colored in white and blue colors. Actually it was really hard to be here because football fans are ~~too~~ ^{really} loud but anyway I liked this event because it's great when ~~lots of~~ many people like the same that like the same sport as you & are in the same place.

Football match finished at 3:45 p.m. After the match my mother and I came back to our hotel and then we went to airport and flew to our ~~our~~ native town.
