Now I want to write my responses to the statement from a newspaper article. This statement is about health. I think it is really interesting and actual theme for our generation.

So, research shows young people today are not so healthy as earlier. In my opinion, it happens because of a lot advertisement of alcohol, cigarettes, there are many songs about using drugs and many other reasons. We can only simply do sports and keep fit yourself. We will show to children that sport is good and they will not using alcohol and drugs in their future too.

In conclusion, I want to say that all people

should be healthy and sporty because their life will be better without using cigarettes, alcohol drinks and drugs.

Ты должен быть здоровым и спортивным, потому что твоя жизнь будет лучше без использования сигарет, алкогольных напитков и наркотиков.
