My favourite book, which I was read in English is Harry Potter.

The author for this book is J. Rowling. This is very popular British writer.

The book have seven parts of the story. The type of this book is fantasy with pieces of action.

I read this book ~~and~~ not one more time. I seriously like this book and a film about Harry Potter.

I want to read this in an original language. This story teach me more new things.

I think, than everybody, who anytime read this book, are in love, because a history is very interesting, good and nervous.

So. ~ my school library should have this book, cuz everyone must read this cool story about <sup>just</sup> two boys and girl.

Anywhere, I already said, than I very love this characters, this fantasy and very very coolest idee.

So. I hope you wanna read or ~~watch~~ watch Harry Potter now.
