St Valentine's Day

There are many popular and interesting legends about St Valentine's Day. Every legend is about a real-life man whose name was Valentine and who lived in the time of Roman Empire. One of these Valentines was a Roman priest² and a doctor. Once they put him into prison³ for his teachings. The legend says that his jailer⁴ had a daughter who was blind⁵. Valentine helped the girl and she began to see again. But Valentine had to die. Before he died he wrote a letter to the girl and finished it with the words "From Your Valentine". Nowadays people write these words on the greeting card (valentines) which they send or give to their sweethearts, people they love. And St Valentine's birthday became the day of everybody who is in love. Now people celebrate this holiday by giving presents and flowers to those whom they love. Most people send valentines too. Valentines can be sentimental and romantic, or funny and friendly. Valentines are usually anonymous. People buy valentines in shops or make them themselves.
